Sir,

I have the honor to bring to your notice that the Cattle Show is being held at Hassan since the year 1910 as per Government Order No. 5305-7-L B. 187-09-2 dated 20-12-1909 and fees at a uniform rate of one anna per head of cattle is being levied on all cattle admitted to the Cattle Show enclosure, as per Government Proceedings No 7007-24-L.B. 189-09-3 dated 22-2-1911.

The Municipal Council have resolved at their meeting held on 25-6-1927 that the rate of fees levied on cattle during the Cattle Show may be doubled with effect from the next Cattle-Show hereafter, and that Government sanction be obtained for such - increase.

I may also mention that there will be no harassment to the public by the increased levy of one anna per head of cattle, and on the other hand it would facilitate the Municipal Council to effect all necessary improvements to the cattle show grounds - which is very necessary and which is being promised year after year but have not been fully achieved for want of enough funds. A proposal has also been sent to the Deputy Commissioner, Hassan District with my letter No. 181 dated 19/22nd. August 1927 propos

Sir,

I have the honor to bring to your notice that the Cattle Show is being held at Hassan since the year 1910 as per Government Order No. 5305-7-L.B.187-09-3 dated 20-12-1909 and fees at a uniform rate of one anna per head of cattle is being levied on all cattle admitted to the Cattle Show enclosure, as per Government Proceedings No 7007-34-L.B.189-09-3 dated 25-8-1921.

The Municipal Council have resolved at their meeting held on 25-6-1927 that the rate of fees levied on cattle during the Cattle Show may be doubled with effect from the next Cattle Show hereafter, and that Government sanction be obtained for such increase.

I may also mention that there will be no harassment to the public by the increased levy of one anna per head of cattle, and on the other hand it would facilitate the Municipal Council to effect all necessary improvements to the cattle show grounds which is very necessary and which is being promised year after year but have not being been fully achieved for want of enough funds. A proposal has also been sent to the Deputy Commissioner, Hassan District with my letter No. 181 dated 19/22nd August 1927 proposing the acquisition

of

of extensive lands for the purpose of the show which means enough funds Having regard to the fact that one cannot always be sure to the private owners of lands which form part of cattle show grounds will tacitly acquiesce in the use of the said grounds for the purpose and in fact this year I do apprehend some objections in that connection

Under these circumstances ,I request that you will be so good as to obtain the sanction of Government as early as possible to enable me to take necessary action to levy the fees at an enhanced rate as resolved by the Municipal Council,during the ensuing Cattle Show which comes off in the first week of January next The Show has been gaining in strength and popularity and has become a routine matter with ryots to assemble for the Show and I am confident that the levy of the extra fees of only one anna per head will not in the least prejudicially affect the Show but will on the other hands enable the Municipal Council to make the Show more popular and attractive and aid the Municipal Council with funds to provide for additional Veterinary aid and camping grounds etc ,

Copy of the resolution of the Municipal Council on the subject is herein enclosed for reference
